

CLEDIM 240EC

CLETHODIM 240G/L

HRAC (Herbicide Resistance Action Committee) code: I (A)

Description: CLEDIM 240EC (Clethodim 240g/L) is a post-emergence systemic herbicide for control of annual and perennial grass weeds in French beans.

Mixing instructions: half fill the knapsack sprayer with water. Add the required amount of CLEDIM 240EC then fill the knapsack with water up to the required level. Mix thoroughly to ensure uniformity. Spray immediately after mixing.

ADVANTAGES OF CLEDIM 240EC

1. Highly effective post-emergence grass herbicide for control of annual and perennial grass weeds.

2. Selective to broadleaf crops, allowing grass weed control without damaging many dicot crops.

3. Systemic action, rapidly absorbed through foliage and translocated to growing points, including roots and rhizomes.

4. Excellent control of difficult grass weeds, including volunteer cereals and perennial grasses.

5. Flexible application timing, effective across a wide range of grass growth stages.

CLETHODIM 240G/L

Category	Information
Site of Action	Fatty acid biosynthesis inhibitor, by inhibition of acetyl CoA carboxylase (ACCase). Inhibits the incorporation of acetate into fatty acids and blocks the production of phospholipids used in building new membranes.
Spectrum and Route of Action	Selective, systemic herbicide, absorbed by foliage, translocated acropetally and basipetally in the phloem and xylem to the root system and growing parts of the plant.
Uses (Crops & weeds)	<p>Soybeans: Annual and perennial grass weeds</p> <p>Cotton: Annual and perennial grass weeds</p> <p>Flax: Annual and perennial grass weeds</p> <p>Sunflowers: Annual and perennial grass weeds</p> <p>Alfalfa: Annual and perennial grass weeds</p> <p>Peanuts: Annual and perennial grass weeds</p> <p>Oilseed rape: Annual and perennial grass weeds</p> <p>Sugar beets: Annual and perennial grass weeds</p> <p>Tobacco: Annual and perennial grass weeds</p> <p>Potatoes: Annual and perennial grass weeds</p> <p>Vegetables: Annual and perennial grass weeds</p> <p>Trees: Annual and perennial grass weeds</p> <p>Vines: Annual and perennial grass weeds</p>

AVAILABLE PACKS

50ML, 100ML, 250 ML,
500 ML, 1 L 5 L & 20L
