

PRACTIS 250 EC

PROPICONAZOLE 250 G/L

FRAC (Fungicide Resistance Action Committee) code: 3

Description: Practis 250 EC (Propiconazole 250g/L) is a fungicide with protective and curative action for the control of Butt rots fungi in pineapples, Rust and Leaf Spot on Carnations and Yellow/Stem Rust and Septoria leaf spot on wheat.

Mixing instructions: Half fill the spray tank with water. Add the required amount of **Practis 250 EC** then fill the water to the required level and mix or agitathoroughly to uniformity. Spray immediately after mixing.

ADVANTAGES OF PRACTIS 250 EC

1. Broad-spectrum control of powdery mildew, rusts, leaf spots, and blights.
2. **Systemic action** ensures protection of new growth and internal plant tissues.
- 3.Provides **preventive and curative activity**, stopping disease development early.
4. **Long residual effect**, reducing the need for frequent applications.
5. Effective across **cereals, fruits, vegetables, turf, and ornamentals**.

Propiconazole 250g/L

Category	Information
Site of Action	Inhibition of ergosterol biosynthesis, by inhibition of C14-demethylase (SBI Class I).
Spectrum and Route of Action	Systemic, foliar fungicide with protective and curative activity, translocated acropetally in the xylem.
Uses (Crops & Diseases)	Cereals (wheat, barley, oats): Cochliobolus sativus, Erysiphe graminis, Leptosphaeria nodorum, Puccinia spp., Pyrenophora teres, Pyrenophora tritici-repentis, Rhynchosporium secalis, Septoria spp. Bananas: Mycosphaerella musicola (yellow Sigatoka), Mycosphaerella fijiensis var. difformis (black Sigatoka) Turf: Sclerotinia homoeocarpa (dollar spot), Rhizoctonia solani, Puccinia spp., Erysiphe graminis Rice: Rhizoctonia solani, Helminthosporium oryzae, dirty panicle complex Coffee: Hemileia vastatrix (coffee leaf rust) Peanuts (groundnuts): Cercospora spp. (leaf spots) Stone Fruit (peach, plum, apricot, cherry): Monilinia spp., Podosphaera spp., Sphaerotheca spp., Tranzschelia spp. Maize: Helminthosporium spp.

AVAILABLE PACKS

50 ml, 100 ml, 250 ml, 500 ml, I L, 5 L& 20L
